SUP SESSIONS | Discounted lesson rate

We do SUP Sessions @ R200PP for one hour on:

Wednesday 8am

Saturday 7.30am and 9am

Sunrise SUP 5.30am - on any day the ocean conditions are good.

SUP Sessions are group lessons (the group is formed by Xpression) of up to 15 people with coaching and equipment included. The price charged is the cost of renting equipment and the lesson is free.

Location depends on the ocean conditions on the day, we always try to SUP on the ocean (no waves involved) but when it's too choppy from wind or full of bluebottles we SUP on the Point Waterfront Canal - which is totally idyllic and cleaner than the ocean with amazing marine life.

We also coach private lessons, all the pricing is on the Xpression website here:
