# Durban Ski Boat Club

We are less than a month away from the Dorado Bonanza with a massive R15 000 prize for the biggest Dorado and a total prize pool of over R60k, including cash prizes for 1st, 2nd, and 3rd place for men, women, and juniors. This event is open to all ski boat anglers, so spread the word.

You can enter using the following link - <https://forms.gle/wZr4G3pLYf1KK5Wa7>

Entry is only R200 and early bird entries, (**before 11 Dec.**) include a Bluff Meat Supply braai pack.

Congratulations go out to our Club Captain, **Mark Justham**, for catching a fantastic 42.16 kg Daga this week. This is a really special catch and one that we aren't like to see repeated any time soon. Well done Mark!

Along with the Daga, which are still hanging around, Couta are beginning to come out more regularly and some decent fish around the 20kg mark have already been landed. There are a good number of shoal Couta around, along with Snoek and Dorado, and for the guys interested in testing out their jigging skills, a couple of Amberjacks have started making their appearance as their KZN season begins.

Lastly, our boat inspection weekend takes place this weekend. We will have a fire extinguisher recharge station available on-site and everything else you need to make this the smooth operation it always is.
