Durban Ski Boat Club

With the arrival of the Dorado in fantastic numbers last week, we are all set for a great Dorado Bonanza on **December 15th**. Over the weekend, almost everyone that launched came home with a few slabs of green and gold in the hatch and, there have been quite a few big fish in the mix too. This competition, which is open to all ski boaters, has a cash prize of R15 000 for the biggest Dorado caught on the day. There are also cash prizes for 1st, 2nd, and 3rd places in the Men's, Ladies', and Juniors categories, with a total prize pool of over R60 000. Entry is just R200 per angler and includes a Bluff Meat Supply braai pack. You can enter using the following link - <https://forms.gle/wZr4G3pLYf1KK5Wa7>

Dorado must be the easiest summer species to target, and can be caught almost everywhere there is any sort of structure, fixed or floating, and around the ships, using live bait, lures and konas, and even on small spoons, so everyone will be in with a chance of winning an early Christmas bonus.

We'd like to thank **Ronne Winsor** and his safety team for their time and effort over the annual boat inspection weekend, which went off seamlessly and efficiently. The team surveyed a total of 89 boats over the 2 days without a hitch. Well done guys.

As the year winds down, it's once again time for our Annual General Meeting, which will be held on **Monday 9 December** at 18h00 in Bar 2. We urge you to make an effort to attend so that you can understand what lies ahead for the club and raise any issues and suggestions you might want discussed. We hope to see you there.
