Durban Ski Boat Club

Even with the miserable weekend weather, our competitive anglers managed to get a full day's fishing in at the **Warnardoone Ski Boat Club Interclub Tournament** on Saturday, with Sunday being called off. A surprising number of fish and species were brought to the scales on Saturday, including many excellent Copper Steenbras. Our **Durban Blue Team**, consisting of **Joel Egling**, **Kyle Loumeau**, and **Jason Pretorius**, finished in 4th place. Jason landed an excellent 24.8 kg Copper Steenbras, a decent 12.64 kg Daga, and a 74, which was safely released. Our Durban Juniors finished in a respectable 7th spot and Durban White in 10th place.

It looks like the windy season is off to an early start this year, which means we'll be fishing early mornings, with shorter sessions. However, there are definitely a lot of good fish out there at the moment. Reports from the spearfishermen say that they have been seeing an unusually large number of Daga on the wrecks and shallower reefs, and the Geelbek spots are producing good catches very regularly.

The **SADSAA Bottomfish Interprovincial Tournament** kicks off on Wednesday evening at the Point Yacht Club, and Durban angler **Joel Egling** will be competing in one of the Natal teams. We wish him all the best for the tournament.
