Durban Ski Boat Club

It was great to see a strong Durban presence at the Bobbies Daga Competition over the weekend, where the 2nd place fish was caught by **Dustin** off of Mark Justham's boat, "**Reel Connection**" Some other great fish were weighed by Durban anglers too, including a nice pair of Daga by **Robin Williams** and **Mark Winterboer**, who were fishing off of Mark's boat, "**Family Time**" Well done to all our anglers.

Our Durban Interclub team had a challenging time at the Richards Bay Ski Boat Club Garrick Catch and Release Tournament in Zululand, where only three fish were landed during the entire competition. Strong winds, rough seas, and dirty water made for a particularly tough event.

Although the last week may not have offered the best fishing weather, during the brief windows of decent conditions, some excellent catches were made. Copper Steenbras are still coming out pretty regularly and Natal Snoek seem to be around in good numbers on most days too. Our Geelbek season is in full swing now, and everyone, from charter boats to commercials, seems to be having good success targeting them.

The week ahead looks pretty similar to last week, offering limited windows for fishing, but the weather forecasting apps seem to be slightly off in their predictions over the last couple of weeks, so it's definitely worth getting out there if you can, with the great fishing season we're enjoying presently.

The **Natal Deep Sea Angling Association's Golf Day** is coming up on **Sunday, 28th September** and promises to be a fun-filled day to remember. Anyone interested in sponsoring a hole at the event, at a cost of R2,500, can **contact Alan Gouveia**. If you'd like to enter a club team into the event, you can email the NDSAA office at office@ndsaa.co.za, or again, chat to Alan Gouveia.

ANNUAL GENERAL MEETING NOTICE

A reminder that the DUC AGM will be held on **Tuesday, 30 September at 18h00** sharp. We encourage all members to attend as there will be an important discussion on the future of the club. The bar will be open before the meeting (and closed during the meeting), with light snacks served afterwards.

The diving streak continues! Saturday's **Scuba dive** on T-Barge was nothing short of awesome (thanks to Adrian Pearton for the stunning image). Keen to start your own underwater adventures? The next **Open Water Course** kicks off on **27 September** Contact Sarah on 072 801 0606 to book your spot.

While there were no DUC **Freediving** launches this weekend, the team was still making waves! **Arenea Becker** led the safety team for the **AIDA SA National Pool Champs 2025** in Gauteng. One of the hot topics among athletes was the much-anticipated DUC Cup, happening on **25 & 26 October**. This event has quickly become a highlight on the freediving calendar, and we're expecting to see some National Record performances this year! Freediving is one of the fastest-growing sports in the world and excitingly, the SA National Champs will be hosted in KZN in 2026.

Our **Open Water Swimmers** have been making the most of the bay with regular social swims through the week, we are truly lucky to have such a beautiful playground on our doorstep. Don't miss the next League Swim on **27 September**. Entry is R85, which includes a bacon & egg roll after the swim! Enter online via **My Club Account**.
