Durban Undersea Club

OPEN WATER SWIMMING

It may have been a chilly morning on land, but the water was surprisingly warm for this month's DUC League Swim. Well done to everyone who braved the early start and enjoyed another great course. If racing isn't your thing, our social swims continue throughout the week and are a fantastic way to enjoy the ocean while meeting fellow members. To find out more, contact Steve on 082 855 5516.

SURF SKI

The final race of the Siyaphambili Surf Ski Series took place last weekend, followed by the prize giving to celebrate another successful season. A sincere thank you to everyone who supported the series throughout the year, whether paddling, volunteering or cheering from the sidelines. Special thanks to **Geoff Philips** and **Stuart Donkin** for their boat assistance during the events. We look forward to welcoming everyone back for another fantastic series next year.

SPEARFISHING

A big congratulations to **Alistair Jones**, who landed an impressive wahoo on the South Coast this past weekend. Wahoo are one of the fastest fish in the ocean and a highly prized catch, making this a memorable achievement. If you're interested in learning more about spearfishing with DUC, contact **Louis** on 084 556 0253.

FREEDIVING

Congratulations to **Crispin Harrison** on completing his Molchanovs Wave 1 Freediving certification. The ocean delivered another spectacular weekend, with beautiful blue water in the deep and some unforgettable encounters with migrating humpback whales. A special shout out also goes to **Justin Walker** on achieving a new personal best.

Bookings are now open on My Club Account for the **2026 DUC Sodwana Bay Freediving Trip** this September. After an unforgettable first year exploring Sodwana's vibrant reefs together, we're heading back for more crystal-clear water, colourful reef life, dolphin encounters and time spent connecting with fellow ocean lovers. This is a social club trip and is open to everyone from confident snorkellers through to experienced freedivers. For more information on freediving courses or joining our social dives, contact **Angie** on 082 874 1706.

UNDERWATER HOCKEY

Congratulations to the South African Under-24 Men's Underwater Hockey Team on an outstanding performance at the Age Group World Championships in Turkey. The team claimed the silver medal, narrowly losing 2-1 to New Zealand in the final. This marks the first time a South African junior team has reached a World Championship final and the first junior world medal for South Africa, a fantastic achievement for the players and the sport.

Durban Ski Boat Club

On Sunday evening, at the opening ceremony of the **SADSAA Bottomfish Nationals** being held in East London, our Club Captain **Mark Justham** received his SADSAA colours for bottom fishing. Mark will be captaining a SADSAA team at the tournament, which runs until Friday, and along with our congratulations on his new cap, we wish him and his team all the very best for the competition.

Next Wednesday evening, the **5th of August**, we have a tackle talk in the Function Room, starting at 17h30 for 18h00, where we will cover some trace-tying demos and have a talk on getting the most from your fish finder. Don't miss this one.

It looks like we're in for a pretty windy and wet week, with the first decent fishing weather likely to be on Sunday, and while the big swell kept many boaters off the water over the last week, there are still some good fish around. The charter boats that have been out have reported some very good catches of Geelbek, and for the guys wanting to target game fish, Yellowfin Tuna, Wahoo and Garrick are around.
