Durban Ski Boat Club

On Wednesday evening, we have an exciting **Tackle Talk** featuring talks by **Mark Justham** and **Byron Kane**, covering trace tying and getting the best out of your fish finder. The talk will be held in the Function Room and begins at 18h00.

This coming weekend, we have 4 teams, including 2 junior teams, taking part in the **Natal Rod & Reel Interclub** tournament. This is always a hard-fought Interclub competition as the teams fish our home grounds and bragging rights and pride are at stake for both clubs. We wish our anglers tight lines and all the best for the event.

Fishing has been predictably quiet over the last week as a result of the severe weather, but the shore anglers have reported improving catches of Garrick and some good Kob as well, while the few boats that have ventured out have also managed a few good Daga and the odd Geelbek and Yellowtail. It seems as though we will get some decent fishing weather in towards the end of the working week and possibly into the weekend, before the next big cut-off low slams the Durban coast around Monday, bringing more of the strong winds and huge swells we expect at this time of year.

Durban Undersea Club

UNDERWATER HOCKEY

Durban Underwater Hockey held its AGM on 1 August at the DUC Function Room, with all executive committee portfolios successfully filled for the year ahead. A sincere thank you to everyone who has stepped up to help grow and support the sport. Congratulations to Wesley (Chairman, re-elected), Nicole (Treasurer, re-elected), Bryon (Secretary), Adam (Men's Representative), Jeanie (Ladies' Representative), Leon (Coaching), Kelly (Social Media), Leon & Kelly (Recruitment) and Brandon (Refereeing). We wish the new committee every success for the year ahead.

SURF SKI

The three-race Siyaphambili Surf Ski Series, hosted by DUC throughout July, was another outstanding success. According to organiser **Stevie Grant**, each race attracted more than 120 paddlers, with excellent conditions allowing both experienced and novice paddlers to enjoy safe racing and gain valuable ocean experience. The series also achieved its biggest goal, raising more than R100,000 to support the Siyaphambili development programme. These funds will continue to provide opportunities for young paddlers, helping them develop confidence, discipline and resilience on the water while supporting their education and personal growth off it. A heartfelt thank you to every sponsor, volunteer, paddler and supporter who made this possible.

OPEN WATER SWIMMING

Entries are now open for the Monthly League Swim on **29 August**. The R100 entry fee includes a bacon and egg roll, with entries limited to 250 swimmers, so don't leave it too late. Enter via My Club Account or contact **Steve** on 082 855 5516 for a race number or more information about joining the open water swimming section. If you're looking for an extra challenge, join the 900m Loop Challenge on **8 August** (with 9 August as the weather backup day). Starting at 07h00, swimmers will head off every hour on the hour, with participants choosing how many 900m laps they'd like to complete throughout the morning. For more information, contact **Chris** on 083 628 4281.

SCUBA DIVING

The recent swell has kept most divers out of the water, but we're hoping for better conditions soon. Our next club outing is a **Protea Banks** dive on **9 August**, including both a reef dive and a baited shark dive for R1,700. To book your spot, contact **Bryan** on 082 809 9188. Looking ahead, don't miss what promises to be a fascinating club talk on **20 August**. **Dr Ryan Daly** will be sharing his firsthand observations of a great white shark scavenging on a whale carcass just off the Durban coastline last month, along with insights into both historical and recent whale carcass scavenging behaviour by white sharks. It promises to be an incredible evening for anyone interested in marine science and shark behaviour.

FREEDIVING

Bookings remain open for the **2026 DUC Freediving Club Trip** to Sodwana Bay, and spaces on the boat are filling quickly. This is a social club trip designed for everyone who loves the ocean. You don't need a freediving certification to join, and confident snorkellers are more than welcome. It's family-friendly, open to non-DUC members, and a wonderful opportunity to experience Sodwana's incredible reefs alongside fellow ocean enthusiasts. Bookings are available on My Club Account. If you'd like to find out more about freediving or upcoming beginner courses, contact **Angie** on 082 874 1706.
